

2024 NAMIHP IMPACT REPORT

The National Association of Mobile Integrated Healthcare Providers has seen tremendous growth and increasing excitement for our profession. This year, we hosted and attended MIH/CP events, advocated at the community and national level, and raised awareness for the practice and sustainability of our profession.

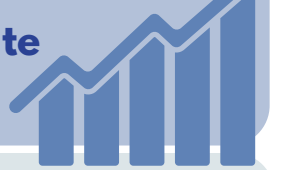

We are grateful to our members and partners who have made all this possible. Here's what we've accomplished together.

REPRESENTATION

Our organization has the largest and fastest growing active membership of any MIH/CP group. We've reached nearly 1000 Memberships in 2024!

↑ 32% Membership Growth

↑ 23% State & Affiliate Partners

Milestone Reached!

50
States with
Active Members

40 Affiliate Partnerships
State EMS Offices &
Peer Associations

Over **340**
