OF
MOBILE INTEGRATED HEALTHCARE PROVIDERS

ABOUT NAMIHP

Our Mission ↩

We exist to create and support national partnerships in Mobile Integrated Healthcare through education, open dialogue, business development, and community awareness.

↪ Our Vision

A connected healthcare system where everyone receives the care they need. The National Association of Mobile Integrated Healthcare Providers exists to help support and advance the industry of Mobile Integrated Healthcare by developing topics such as best practices, education, vendor relationships, conferences, and standardization within the industry.

NAMIHP helps to advance nationwide advocacy in the industry of Mobile Integrated Healthcare. Since being started in 2021, NAMIHP has grown membership to over 400 organizations and agencies nationwide. Our members include agencies from diverse MIH/CP models including Departments of Health (county, city, and state), Fire Departments, Private Ambulance Services, Health Systems, Physicians, Nurses, Lawyers, other stakeholders in the industry of Mobile Integrated Healthcare.

We believe that Mobile Integrated Healthcare is the future of healthcare and that future is NOW!
